I WILL NEED A HOTEL FROM (DATE)

TO (DATE)

ACCOMMODATION:

Due to the large number of conferences taking part simultaneously in September here in Graz, we have asked the following 3 hotels to tentatively put a certain number of rooms at our guests' disposal. We will be happy to book the room of your choice for you. Please tick:

- Novapark Hotel** www.novapark.at
Room prices per head/night incl. breakfast **60 Euros**
(we recommend this hotel, for it is across the road from where the conference is taking place)
- Hotel Bokan** www.bokan-exclusiv.at
Room prices per head/night incl. breakfast **74 Euros**
- Hotel Mercure Graz City** www.mercure.com
Room prices per head/night incl. breakfast **85 Euros**

We are organizing a shuttle service to take you from and to the hotels Mercure and Bokan during the conference. If you choose to book a room somewhere else www.vrgraz.at/hotel-guide/index.html, please accept that we will not be able to organize transport to and from the event locations.
